Fire-EMS Standard Operating Guideline

Section:	4 Fire Operational Information
Title:	Fire Reports
Date:	August 2008

FIRE REPORTS

Augusta County is a participant of Commonwealth of Virginia Department of Fire Programs Fire Incident Reporting System.

Fire Departments shall use the Visual Fire Software and Augusta County Fire Administration shall export to the Virginia Department of Fire Programs.

Computer reports must be completed for the Augusta County Fire-Rescue Chief at the end of each month. Assistance in completing the reports is available from the Augusta County Fire-Rescue Chief.
