Fire-EMS Standard Operating Guideline

Section:	General
Title:	"Available" or "In Service"
Date:	
Revised:	05/2013

Available / In Service

Fire-Rescue apparatus assigned to a dispatched event will immediately inform the Augusta County Emergency Communications Center on the assigned operational frequency when the Fire-Rescue unit is "available" or "in service".

Augusta ECC will acknowledge the Fire-Rescue unit following the Standard Operating Guideline and track the status of "available" or "in service" for purpose of dispatching the closest available unit, disaster management and mutual aid availability.
