Fire-EMS Standard Operating Guideline

Section:	Communications
Title:	Rehab 1
Date:	November 22, 2011
Revised:	05/2013

Rehab 1

The Augusta County Emergency Communications Center will automatically <Add> Rehab 1 to all second alarm or greater response assignments in Augusta County, all Level 1 or greater MCI events in Augusta County and upon request to include requests that originate from mutual aid agencies requiring rehab.

In the event a working incident is requested / activated, on the assigned operational frequency, Augusta ECC will inquire with the officer in charge if he / she would like Rehab 1 added to the response assignment. At no time, will Augusta ECC delay dispatching the working incident response assignment.

PROCEDURE:

Augusta ECC will: <Dispatch> Rehab 1 via alphanumeric page/text

Once a driver (s) for Rehab 1 establishes contact with Augusta ECC, Augusta ECC will <Transmit> a single alert tone on the dispatch frequency (when applicable) and the operational frequency and <Broadcast> the status of Rehab 1.

In the event a driver does not contact Augusta ECC within six (6) minutes, Augusta ECC will <Dispatch> the request for Rehab 1 via radio activating the "All tone"

Augusta ECC will not give a Fire-Rescue agency a "no response" for Rehab 1.

GENERAL:

Additional Resources: Augusta 5 will also provide assistance with rehab upon request in Augusta County.
